Creative Production: Photography · Videography · Camera Operation · Photo Retouching · Content Production
Generative AI: ComfyUI · AI Video Generation · Image-to-Video · Text-to-Video · Generative Video Workflows

EXPERIENCE

EDITORIAL VFX

BOAT.MEDIA - Films and Series for Streaming Platforms
Montevideo and Buenos Aires, 2025 - 2026

- Managed the editorial side of VFX workflows for film and TV productions for streaming/OTT platforms, overseeing media ingest, timeline formatting, exports, and color-grading preparation for delivery to post-production laboratories.
- Performed technical quality control (QC) of VFX shots against technical specifications and color science requirements, ensuring shot quality and delivery consistency.
- Maintained production continuity by managing FLOW production-pipeline tasks across editorial and VFX deliverables.

CONTENT CREATOR

ÁVIDA VISUAL - Advertising
ANTARTIDA FILMS - Institutional and Music Videos
Montevideo, 2022 - 2025

- Produced visual content from capture through post-production, operating cameras, assisting with camera work, editing images, and delivering video and image post-production

VFX ARTIST

Atlas VFX - Films and Series for Streaming Platforms and Music Videos
Montevideo, 2021 - 2022

- Delivered production-ready VFX shots for film and television projects for Amazon, Netflix, and Disney+, using compositing, tracking, rotoscoping, keying, matte painting, roto painting, and screen replacement.
- Built technically consistent shots by combining 2D compositing, tracking, and paint techniques within a production pipeline.

POST-PRODUCTION DIRECTOR

Melón Films - Audiovisual Collective
Montevideo, 2019 - 2021

- Led post-production for advertising, music videos, and short films, coordinating editing and finishing requirements from brief through delivery.
- Improved visual consistency across projects through video editing, color correction, and post-production supervision.

FREELANCE PHOTOGRAPHER & VIDEOGRAPHER

Montevideo, 2016 - 2019

- Produced photographic and audiovisual content for advertising, social events, weddings, portraits, product, and fashion.
